BORDER EXPRESS UPDATE
OCTOBER 2026

VOTE NO: BEX'S DODGY DEAL

Border Express is rushing workers to vote on an unfair deal that doesn't address any of the conditions important to you. Vote NO to make BEX return to the negotiating table with a fair offer.

1 Low pay rise
below the pay that you're asking for, and does not reflect rising cost of living pressures.

2 Refuses consolidation
that'll align your agreement with your colleagues around the country, making your negotiating power stronger

3 Rejects better conditions
including pathway to 15% super, future of work protections, women's advocate provisions, and dispute resolution

VOTING OPENS MONDAY 2ND NOVEMBER

You'll be able to access and review the agreement from Monday 26th October. **Get ready to VOTE NO.**

NEXT STEPS

- You will receive an **email and/or SMS** from the ballot company with instructions on Monday. If you don't, let your manager know as soon as possible.
- Talk to every worker in your yard. The more workers who stand together, the harder it is for Border Express to ignore us.
- If someone is not in the union yet — sign them up. This fight will be won by workers sticking together.

BRING BORDER EXPRESS BACK TO THE NEGOTIATING TABLE BY VOTING NO TOGETHER.

Prepare for action. If Border Express continues to refuse a fair deal - be ready to stand together and take action to make management listen.
