NEGOTIATIONS UPDATE #6:
SECOND EA PROPOSAL UNDER REVIEW

Your member-led bargaining team completed Round 6 of negotiations this week. Centurion has presented an updated proposed agreement, which your member-led committee is reviewing.

As soon as this review is complete, we will hold another round of Mass Online Meetings.

We strongly encourage all workers to attend these online meetings so we can update you and gather your feedback before submitting our response to Centurion. Standby for dates and times.

This is a critical time during bargaining where we are locking down pay and conditions. If you haven't already, join the TWU to advance our union claims.
