TWU Carrying Australia

K&S FREIGHTERS QLD UPDATE
OCTOBER 2026

NEW OFFER IS STILL NOT ENOUGH, GET READY TO TAKE ACTION AGAIN

Following our successful paperwork bans, K&S has put forward new pay offers across all sites involved in the action. The pressure we're putting on management is having an impact, but this offer is only a slight improvement on pay, when most of your claims are still going nowhere. That is why the TWU has issued notice for more paperwork bans, to show management we are serious about closing the gap.

THEIR OFFER:

TOTAL Over 3 years	**2026:**	**7.96-16.85%** (depending on grade)
Percentage pay increase	**2027:**	**3.4% or CPI**
	2028:	**3.4% or CPI**

+$400 fuel card

CLAIMS K&S WON'T MOVE ON:

- ✗ **Consolidated agreements**
- ✗ **Future of Work (AI and automation) protections**
- ✗ **Job security**
- ✗ **Stronger consultation obligations**

PAPERWORK BAN: WHAT YOU NEED TO KNOW

A paperwork ban allows workers to temporarily refuse to complete specific non-safety-related paperwork as a form of protected industrial action.

This round of paperwork bans will last for 48 hours, across two 24 hour bans.

1ST 24HR BAN
WHEN: FRI 30 OCT
12:01AM AEDT - 11:59PM AEDT

2ND 24HR BAN
WHEN: MON 2 OCT
12:01AM AEDT - 11:59PM AEDT

We need every member to play their part:

- Know your role and be ready.
- Support your workmates.
- Stay united and follow TWU guidance.

We have come too far to back down now.

Across K&S and retail, we're fighting to Close the Gap, lift standards and win the pay and conditions workers deserve. **We can't let K&S use this offer and some fuel vouchers to shut down that fight.**

Members have taken action or are now voting on taking action so they can help lift everyone up together on the same level of pay and working conditions that have already been won elsewhere in the K&S group.

Together, we can force movement at the negotiating table and win the fair deal you all deserve.
