

# QANTAS FAMILIES DAY SATURDAY DECEMBER 3RD

## What is Qantas Families Day?

On December 3, people from around the country will be coming together in support of Qantas families and a strong future for Qantas jobs in Australia.

Thousands of Qantas Families and their friends will be delivering flyers in letterboxes in their neighbourhoods to share the message to keep quality jobs in Australia. Qantas CEO Alan Joyce decided to strand 70,000 passengers and hold the Australian economy to ransom after awarding himself a 5 million dollar pay rise. This is out of touch with Australian values. Support Qantas Families in your neighbourhood.

## What can I do?

Join a team of people around the country to spend 1 hour on Saturday 3rd December to put flyers in letterboxes in your neighbourhood. Fill in the form at [www.qantasfamilies.com](http://www.qantasfamilies.com) and we will contact you, and organise to get you as many flyers as you need.

**Let's save our national carrier and the future of the Australian aviation industry.**
