## QANTAS GROUND SERVICES (QGS) - FAIR WORK AUSTRALIA - MELBOURNE AIRPORT

### FAIR WORK AUSTRALIA DISMISSES QGS TRANSFER CASE

On Friday 24 June Qantas asked Fair Work Australia for transfer of business orders for labour hire workers moving to QGS at Melbourne Airport.

Qantas refused to submit to Fair Work Australia that the work performed by the labour hire workers was outsourcing so the TWU demanded that Qantas withdraw their transfer of business application.

As a result of this, Fair Work Australia struck out Qantas' application.

### WHAT DOES THIS MEAN ?

Qantas' intentions to replace EBA 8 jobs with QGS are now clear, despite their assurances that QGS was to only replace genuine labour hire.

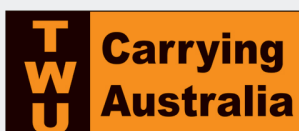

**The members and the union's claim for job security and site rates in EBA 8 are now more critical than ever.**
