

Dear valued contractor,

Today we have announced that we will be ceasing all foodora Australia operations as of 20th August 2018. The decision to cease operations in Australia was a difficult one and is in response to a shift in focus towards other markets where we currently see higher potential for growth.

As the business is solvent, shifts will be available as per normal until 10th August 2018. Between 10th August 2018 and 20th August 2018, there will be a wind down of services with fewer shifts available. Accordingly, this email constitutes as written Notice that your Independent Contractor Agreements will be terminated effective 20th August 2018.

If you wish to return foodora equipment such as food boxes and backpacks you may do so between Monday 6th August and Friday 24th August 2018, excluding weekends. Upon the return of foodora property (in Like Brand New condition) and the presentation of a deposit receipt we will refund your deposit. We will work with you to ensure that the transition is as convenient as possible and will provide you with more detailed information about this process in a separate email.

We want to personally thank you for your professionalism, dedication and valued partnership in serving foodora customers and restaurant partners. foodora's mission is to deliver restaurant quality food to hungry customers at home, and you have been a vital part of that journey.

Regards,

Jeroen Willems  
Country Manager AU
