

# STARTRACK BARGAINING REPORT BACK JULY 17, 2017

## StarTrack wants to reduce your conditions **WE NEED TO PREPARE TO FIGHT**

### TWU priorities are:

- ✓ Job security
- ✓ Consultation
- ✓ Skills recognition
- ✓ Custom and practice
- ✓ Workplace committees
- ✓ Workers compensation claim issue
- ✓ Workable RDO system
- ✓ Power-building rights

Your TWU delegate-led bargaining committee met with StarTrack management in the second round of bargaining over two days last week. During the meetings, management made it clear that it only wants to reduce your terms and conditions.

Your bargaining team pushed on with the log-of-claims but StarTrack largely hid behind government policy as a reason to reject any enhancements to the agreement. The only changes management wants are ones that benefit the company without any trade off.

Report back toolbox meetings will be happening this week. Don't miss out! Come along to find out what's at stake in this round of bargaining and make your voice heard.
