

WORKER SOLIDARITY FORCES JETSTAR TO NEGOTIATE

Thanks to TWU members' strength and solidarity, you've broken the stalemate and forced Jetstar back to the negotiation table. Jetstar has finally shown their hand, with a log of claims that seeks to cut your current conditions.

Now we must keep up the momentum by staying united throughout the negotiations.

The fight continues

We have shown Jetstar that we won't back down.

- Workers stood strong when Jetstar threatened your bonus simply for exercising your industrial rights
- Jetstar is still refusing to pay you back for the continuing effects of a pay freeze
- Jetstar has refused to address your modest claims and wants to worsen your current conditions

We will continue to fight for the fairness and respect you deserve.

Your member-led bargaining team will meet Jetstar again to continue to fight for our reasonable claims on Monday 10 February.
