- Immigration and Visas
- What assistance is available for sole traders/business
- Any other issue that may be concerning them at Federal level.

To refer an issue to me, please send an email to senator.sterle@aph.gov.au with "TWU Member" in the subject line.

Include the following details:

It is important to get the members permission to forward their issue on.

I am a life member of the TWU, and all of my office staff are TWU members as well.
