

## OUR FIGHT FOR JOBKEEPER

In just one week, Dnata workers have mounted massive pressure on the Federal Government to overturn their callous decision to deny JobKeeper to 5,515 Dnata workers.

So far, we have written to politicians, made the demand for the national aviation plan endorsed in our mass meeting on Tuesday, and sought the immediate overturning of the JobKeeper decision. Workers have also taken to the airports in Sydney and Perth to demand fairness and joined politician forums in Victoria and Queensland.

By standing up together and fighting, Dnata workers have made this issue a national news story. Your thousands of calls and emails to parliamentary offices have put your fight front and centre of the Australian political debate.

ALP politicians pushed hard to ensure a motion was tabled in Federal Parliament to have the Morrison Government JobKeeper eligibility change overturned. In 48 hours, you succeeded in securing not only the support of the full ALP, but also the key deciding Senate votes of the Greens, Jacqui Lambie and the Centre Alliance Party. Congratulations to all for this tremendous effort!

### WHAT NOW?

Our motion, which would see all Dnata workers immediately receive JobKeeper, will be debated and voted on in the next sitting week on 10 June. We need to continue to lobby over the next three weeks and we need your help.

Let's keep the pressure on the two One Nation Senators, Pauline Hanson and Malcolm Roberts, and keep calling and emailing their offices every day. We also need you to contact your Local MP to tell your story and ask for their support.

This delay is tough. We will support you as much as we can during this period of uncertainty. Remember, the fight is still very much alive.

**Over the next few weeks, we must keep the pressure on. Here's what you should do:**

#### 1. KEEP POSTING YOUR STORIES ONLINE

Our politicians and the public need to be constantly reminded of the human cost of this cruel decision. That is what moves them to take action.

Share your pictures, stories and videos online using **#DnataWorkers** **#NoWorkerLeftBehind** and/or send them to [twu@twu.com.au](mailto:twu@twu.com.au)

#### 2. LET US KNOW HOW YOU ARE IMPACTED

Please complete this brief survey <https://bit.ly/DnataSurvey> and make sure all your workmates complete it as well. Responses will be anonymous unless permission is otherwise gained to share your name.
