

YOU'RE INVITED TO THE QANTAS AGM

*FEATURING ACTORS, WORKERS, MEDIA & A SHOW

QANTAS BOARD MEMBERS

WHERE:

QANTAS DOMESTIC CHECK IN,
SYDNEY AIRPORT

WHEN:

FRIDAY 23 OCTOBER, 9AM

WHAT:

It's been a horrific year for Qantas workers.
Here's a reminder of how the Qantas board has acted:

- > outsourcing of 2,500 jobs
- > abuse of the JobKeeper wage subsidy
- > terminally ill workers denied their sick leave
- > threatened workers for raising legitimate safety concerns
- > suspended a health and safety rep for telling workers' their rights
- > downplaying a pandemic, allowing two coronavirus clusters in the workforce

This Friday, the TWU has arranged a rare opportunity to put the "Qantas board" on the spot to answer workers' questions in front of the media.

Bring along your family and friends to watch the spectacle. It'll be some light relief after Qantas' immoral behaviour.
