

CABIN CREW ARE SAFE FROM THE AWARD!

89% of crew participated in the vote, returning an 84% YES result. We know the last year has been the most difficult one to date. You have successfully mitigated the dangers brought on by administration, new owners, and a global pandemic. And with this vote you have avoided subpar modern award conditions.

You should be proud for staying informed and fighting together as TWU members.

Being safe from the award means that crew can now move forward and build strength for the next negotiation in 2 years.

WHAT HAPPENS NEXT?

- ✓ The agreement will go to Fair Work to be registered (this could take 4-12 weeks)
- ✓ Once it is approved the new EA will form your conditions
- ✓ New EA conditions will be phased in over 3-4 roster periods as Virgin updates its systems
- ✓ TWU will have education pieces out about the new EA changes

Our efforts now move toward building power with a united front for the next negotiations.

TOGETHER, WE ARE STRONGER. JOIN NOW FOR A BETTER FUTURE.
