

RECORD REVENUE ANNOUNCED

Today Australia Post has announced its 2021 Financial Year results. As expected, your hard work throughout the pandemic has smashed records for the company:

- New record revenue of **\$8.27 billion**
- StarTrack volumes up **12.1 per cent**

In the same email to workers, CEO Rodney Boys thanks everyone "for all your hard work in delivering for Australia."

AND YET STARTRACK CONTINUES TO ATTACK YOUR JOB SECURITY.

Only recently, it was also revealed that in the 2019-2020 financial year, Australia Post senior staff were given almost **\$92 million in bonuses**.

The company was also found to have **underpaid 19,500 former workers about \$1.8 million**.

YOU MUST VOTE "YES" IN THE PAB TO MAKE STARTRACK LISTEN. HERE'S WHY:

- ✗ No guarantee or protection of **overtime** or **start times**.
- ✗ No commitment to protect **permanent jobs** over **outside hire**.
- ✗ 2020-2021 **wage freezes** and no increase to **super**.
- ✗ Refusal of **National Agreement** and 30 June 2023 **expiry date**.
