

SURVEY RESULTS RELEASE TOMORROW

Thank you to the over 1100 workers who filled out our survey on the impacts Qantas outsourcing has had on you and your families.

The results show just how devastating Qantas' illegal outsourcing has been on thousands of families:

- **47%** of you are either in insecure work or haven't found a job
- Only **26%** of you who found another job stayed in aviation
- **1 in 3** developed a mental health condition
- **26%** had a relationship breakdown from the stress

You can see the full results here.

Qantas must be held to account for the suffering it has caused thousands of families.

Instead of admitting that Qantas' illegal outsourcing has led to chaos at our airports, Alan Joyce continues to blame passengers and airports for the extensive delays, cancellations and lost baggage.

That's why we must keep showing the public the truth.

HERE'S WHAT YOU CAN DO NEXT

- **Watch ABC 7:30 tonight** ([you can watch it here on iView](#)) where we'll be exposing more of Qantas' lies.
- We'll be releasing these survey results tomorrow at Sydney Airport at 10am. **Watch on Facebook Live here.**

Because of your efforts, millions of Australians are finally witnessing Qantas' lies. Thank you for sharing your stories and keeping up the fight.

As always we will keep you up to date with any new developments.
