

## WATCH: QANTAS ON ABC FOUR CORNERS

On Monday 5 September, several TWU members as well as TWU National Secretary Michael Kaine will appear on a Qantas-focused episode of ABC Four Corners - Australia's leading investigative journalism show.

This is important because the way Qantas has led the race to the bottom on wages and conditions has far-reaching negative consequences right across aviation. We can't afford for Qantas-style outsourcing and cuts to conditions to become the norm.

**We need to stand together in aviation. Whether you're a pilot, a baggage handler, a cabin cleaner or cabin crew, it's up to all of us to fight for a fairer and safer industry.**
