

## YOUR QUESTIONS FOR THE QANTAS BOARD

Thanks to over 100 of you who submitted questions for the Qantas board to answer at the company's Annual General Meeting this Friday 4 Nov. Here were just some of the questions from both outsourced workers and current workers:

“ Why is Qantas **wasting time and money** fighting a case it has lost twice instead of doing the right thing and **compensating illegally sacked ground crew**?

“ Qantas management, could you please explain why you rubber stamped to **illegally outsource your ground handling employees** without any consideration to your shareholders, stakeholders and the Australian travelling public?

“ Please justify the board's and CEO's pay when most of us are struggling with **no pay increases or bonuses** for years ?

“ When will the **freight warehouse staff be outsourced**? It's seems reasonable to assume this will happen given the company's recent record of the treatment of its staff ?

“ Why is our **equipment so old** in lots of cases? Does the maintenance department have trouble sourcing parts?

“ Who made the decision to take Qantas from a **number 1 performing** service airline to **just a share price on the ASX**?

## SYDNEY PRESS CONFERENCE

We know that Qantas won't answer your questions, but it's essential we keep holding them accountable for their actions.
