

BARGAINING UPDATE

After months of public campaigning led by the TWU, the company **has been forced to increase its offer.**

The offer previously made to AAE workers of 2% increases in 2022 and 2023, with no back pay, **will now be increased to 3% for the two years.**

Your TWU negotiating team is standing strong at the bargaining table and **now is when we need everyone to win the best outcome.**

PAY INCREASE PROPOSAL

- ▶ 3% from September 2022
- ▶ 3% from September 2023
- ▶ Increased pool of workers who qualify for the bonus

These initial results have only been achieved because members and delegates across the country have *stood together.*

WHAT HAPPENS NEXT?

- ▶ We are hopeful an improved offer will be achieved. If you have any question or suggestion, contact your delegate or organiser.
- ▶ Being union means a better deal. If you or someone you know is not a member, now is the time to join. **Scan the QR code or click to Join today.**
