

CONGRATULATIONS FOR WINNING ON WAGES AND JOB SECURITY

Congratulations to members across the country for standing as one for a National Agreement. This result was possible because of the unity and strength delegates and members have shown.

You would have received your back pay of 4.75%. Your agreement has now been approved by the Fair Work Commission and will commence operation next week.

Your Agreement includes a clear pathway to building collective power across road transport for 2026.
