

3PL BUSINESS 'UNDER REVIEW'

Your StarTrack National EA 2021 and the NSW/ACT EA 2021 sets out that when the company has made a **definite decision to introduce a major change they must first discuss it with the union** prior to implementation.

Under this clause, StarTrack notified the TWU on 9th January that the **3PL Business is under review, initiating the consultation process.**

StarTrack didn't provide any additional detail about the proposed changes or how significant they will be. However, StarTrack specifically cited the Fulfilio warehousing and fulfilment centres in Melbourne, Sydney, Brisbane and Perth.
