

# TIME TO UNITE AT VIRGIN

Recently Virgin workers called on Bain Capital to commit to a five-point plan ahead of a public float.

It's time to ramp up the pressure on Bain and we need workers from across the different groups to show we are strong and united.

The TWU has power right across the airport, in:

- ▶ Pilots
- ▶ Cabin crew
- ▶ Ground
- ▶ Stores

Virgin workers need a serious correction to wages and conditions in these current bargains. Ahead of a public float of Virgin we're calling on **Bain Capital**, as well as other shareholders **Queensland Investment Corp** and the **Virgin Group**, to commit to:

## RESPECT FOR WORKERS

Address cultural issues that have led to high turnover, absenteeism and disputation

## GOOD, SECURE JOBS

All essential roles to be performed by direct employees

## INDUSTRY REFORM

Support the campaign for a Safe and Secure Skies Commission to rebalance aviation

## EMPLOYEE SHARE SCHEME

Annual \$1,000 employee share scheme in conjunction with IPO

## ONGOING INVESTMENT

Invest in technology, fleet and workers to maintain and grow safe, fair standards
