

VIRGIN CABIN CREW UPDATE

NOVEMBER 2023

VIRGIN PROTECTED ACTION BALLOT

For months Virgin has been putting offers to cabin crew that are far below your claims. After you filed for a PAB, Virgin doubled its wage offer (from 9% over three years to 15-18% over three years). However, the offer still falls short, in particular on improvements to work life balance.

NEXT WEEK, MAKE SURE YOU:

1. VOTE EARLY

2. VOTE YES TO ALL QUESTIONS

Now's the time to show even more unity and strength with the PAB. If everyone votes early, and votes yes to all questions, it will send a clear message to Virgin that its current offer is not good enough.

Voting yes to all questions will also give us the widest range of actions to choose from, even if we don't use all of them.

The Australian Election Company will conduct the vote - here's what happens next.
