

CONGRATULATIONS YOUR UNION-WON PAY INCREASE IS ON ITS WAY

Last year, thanks to your collective strength, we locked in significant pay increases linked to CPI, and improved conditions.

PAY INCREASES TO COME

Your member-led bargaining team fought hard to make sure that your wages wouldn't fall behind.

But they couldn't have done that without your **strong participation**, showing the company that you would not back down.

The company has confirmed this will be 4% (your team pushed for 3.25% or CPI capped at 4%, whichever was higher)

YOUR PAY INCREASE:

4% Up from 3.25%

TAX CUTS FROM 1 JULY

Under Prime Minister Anthony Albanese's Stage 3 tax cuts, every taxpayer will receive a tax cut for cost-of-living relief from **1 July**.

This pay increase shows the power of standing together.

WHAT'S NEXT

- Soon transport reform laws will come into effect that we can use as a powerful tool to make the transport industry safer and fairer - we'll be in touch soon with what this means for you
- We're building to 2026, the next stage in improving standards right across transport
