

BARGAINING UPDATE: LINDSAY ATTACKS YOUR CONDITIONS

Your TWU bargaining committee met with Lindsay Transport management on 9th October. We put together an extensive log of claims based on your survey responses, which was served upon the company.

Based on Lindsay's response, workers must strengthen their position by ensuring we have as many members as possible to achieve these claims. If you're not yet a TWU member, join today. Only when pressure is applied will management move on your claims.

Every week more Lindsay workers are joining the TWU like never before to come together for a better agreement. We have strength in numbers — now's the time to join.
