

UPDATE - SAME JOB SAME PAY APPLICATIONS

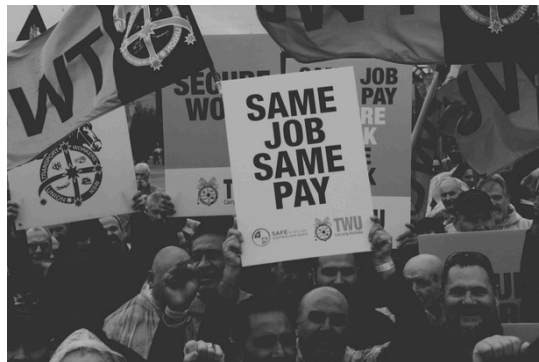

Team Jetstar variation takes effect

The Team Jetstar variation has now taken effect after being voted up recently by crew.

This is a huge win for workers and protects the job security of members at JQD.

Same Job Same Pay win

TWU members fought for years for Same Job Same Pay to stop companies like Qantas shifting work to get around the good pay and conditions built up by union members.

Next up: bargaining

The next step is for us to increase pay and conditions for all Jetstar workers in the next round of bargaining. We know there's a lot to do and we're building our union power to ensure we get the best outcome following negotiations.
