

# DNATA **ATTACKS** YOUR JOB SECURITY

Dnata keeps **pushing to reduce workers guaranteed part-time hours** each week. Guaranteed part-time hours are vital in ensuring workers have job security knowing that they will receive a fair number of hours each week.

We have made it clear to the company this is not what workers want and that workers will not go backwards.

## NEW WINS:

- ✓ **RDO protections** – 36 hour period off when you have an RDO so that you are well rested and your time off is protected
- ✓ **Reduction in maximum consecutive shifts** from 7 to 6 shifts for better work life balance and to ensure workers are not so fatigued.

## COMPANY'S NEW PAY OFFER:

<b>YEAR 1:</b>	Pay increase to range from 3% to 4% based on department and role. See details below.
<b>YEAR 2:</b>	CPI (minimum increase of 2.5% and maximum increase of 3%)
<b>YEAR 3:</b>	CPI (minimum increase of 2.5% and maximum increase of 3%)

**dnata has still failed to make a commitment to backpay.**

What has been put forward by the company is disappointing and falls well short of your pay claim.
