

DNATA'S OFFER NOT GOOD ENOUGH

While TWU Kitchen & Operations members stand together for a meaningful pay rise for ALL workers, Dnata Catering aims to divide.

Dnata is only offering:

- a small 4.5% total increase per worker in year 1, and
- wants members to fight over how it's shared.

But we're united in saying all workers deserve real, fair pay rises.

WE DEMAND A PAY OFFER THAT BOOSTS ALL MEMBERS

Production (Kitchen) • Year 1: 7.5% + backpay • Year 2: 6.5%

Operations (Transport) • Year 1: 6.5% + backpay • Year 2: 6.5%

SIGN A PLEDGE CARD

It is time for dnata to **get serious about this bargain.**

Your delegates and organisers will circulate pledge cards over the coming weeks. Sign to update your details with the TWU and send a strong message to dnata that you're willing to fight for:

- A real pay rise that keeps up with the cost of living;
- Pathway to 15% super;
- Improved casual conversion and labour hire conversion;
- Improvements to higher duties conversation;
- Labour hire rations;
- Maintenance of minimum part-time hours;
- Improved conditions which address concerns about work-life balance, fatigue and rostering;
- Improvements to personal leave, family and domestic violence leave, and delegates leave.

**WE STAND
TOGETHER**

I stand united with dnata catering members across Australia.
