

# UPDATE - QANTAS COMPENSATION

## The next phase of the Qantas compensation process has begun.

### WHAT'S HAPPENING NOW

- Most affected workers should have received your baseline payment of \$9,000, with a final \$1000 to be paid at the end of the process upon signing a deed
- **You should have received a portal link today to provide documents to determine your level of economic loss from the outsourcing decision**

### COMPENSATION FOR ECONOMIC LOSS

If you have signed up for your initial payment, this next phase will determine your level of compensation for **economic loss** in the 12 months after your employment ceased at Qantas.

**This will look different for every individual and it is not possible to tell you how much compensation you will receive before you provide the documents requested.**

There will be a further process to determine **non-economic loss** for pain, hurt and distress. You will receive separate information about that phase in the next few months.

### WHAT YOU'LL NEED

You will need to provide documents including ATO Income Statements and Notice of Assessment. Maurice Blackburn has provided a guide which you should follow to obtain your records.

### MORE INFORMATION

Maurice Blackburn has set up a website which will be kept updated as more information becomes available, and where you can find their contact details.
