SWISSPORT'S PLAN TO SPY ON YOU

SIGN THE PETITION HERE

Swissport is planning to install audio and video recording in all ground vehicles at Melbourne Airport in a move that breaches your right to privacy at work.

We've written to Swissport with our concerns that introduction of the surveillance:

- **prevents workers** from collectivising,
- **intimidates workers** into not speaking up, and
- **increases safety risks** which are already high.

Swissport's response? *"Workers don't have a reasonable expectation of privacy".*
