TWU Carrying Australia

Great news for TWU Altara members: your Same Job Same Pay order is now in effect.

Congratulations to all TWU Altara members and especially delegates who made this possible, maintaining your work rules and job security while ensuring increases to pay and conditions.

Your terms and conditions are now linked to the Team Jetstar Agreement and you will soon receive your increases to pay, allowances and backpay.

Pay increases

Backpay

Commitments to further permanent positions

Jetstar has confirmed that the further 50 permanent positions (from the 100 agreed to) are underway and will be formally offered to those who nominated by 1 Dec.

The next 50 crew who are offered permanent positions come from the EOI already undertaken in February.

A further EOI process for permanent positions will commence from December. This will extend to Altara.

This is just the start.

We have a plan to bring up pay and conditions for ALL cabin crew workers across the aviation industry—and we need everyone in the TWU to make it possible.
