TWU WIN – TEAM JETSTAR SAME JOB SAME PAY

TWU Carrying Australia

Updates on permanent positions

As part of the TWU's Same Job Same Pay application at Team Jetstar, we were able to reach an agreement that retained your work rules but provided for other conditions, such as further permanent positions for those who are currently casual.

Through this process Jetstar agreed to an additional 100 permanent positions.

Now

Jetstar has confirmed that the further 50 permanent positions (from the 100 agreed to) are underway and will be formally offered to those who nominated by 1 Dec.

Next offers

The next 50 crew who are offered permanent positions come from the EOI already undertaken in February.

December

A further EOI process for permanent positions will commence from December.

This is just the start.

We have a plan to bring up pay and conditions for ALL cabin crew workers across the aviation industry—and we need everyone in the TWU to make it possible.
