

PRODUCTIVITY TRAINING REMINDER

YOU CAN NOW GET YOUR 1% PAY INCREASE

Following our communications earlier this year your opportunity to get an additional 1% pay is still available. However, you will need to have successfully completed the training by 12 December to ensure the 1% is paid in the first full pay period in January 2026.

What is the Productivity Training Program?

Productivity Training is a short online course where you will learn about your industrial rights and obligations as an employee of Linfox in a way that enhances workplace productivity and competitiveness in transport.

WHAT DO I NEED TO DO TO BE ELIGIBLE?

Take the following steps to qualify for the increase:

If you're a financial TWU member, you will have received an email earlier this year giving you free access to the online Productivity Training Course. If you cannot locate the email, please contact your local TWU office.

If you're not a member you can access the free course by joining the TWU today!

Successfully complete the online productivity training to automatically qualify for the 1% increase in pay. If completed by 12 Dec, you will get the increase in the first full pay period in Jan 2026. You will also be able to complete the training after 12th December and receive the 1% increase in the first full pay period after Linfox has been notified and payroll has processed the adjustment.

If you have any questions, please contact your local TWU delegate, union organiser or your local Union office for more information.
