

2026 our roads, our skies, our future

Welcome to 2026

It's time to hit the ground running for our biggest year yet.

With over 200 Enterprise Agreements expiring at once, we have a historic opportunity to win better pay, job security, and safer conditions for all transport workers.

WHY THIS MATTERS?

- ✦ 60,000 workers **across roads and skies** will stand together to win better pay, job security, and safer conditions for all transport workers.
- ✦ This is our chance to **end the race to the bottom** where wealthy clients are forcing employers in a race-to-the-bottom to secure contracts.
- ✦ As our industries change, **we won't let automation, AI, and transition to net zero reshape our jobs**, WITHOUT decent standards and worker consultation.

WHAT WE HAVE ACHIEVED SO FAR

- ✦ **Growth**
Thousands of new members joined us last year. That means we have more power and a louder voice to win big in 2026.
- ✦ **Local Organising**
We rolled out organising plans at yards across the country where hundreds of workers stepped up as leaders building a strong network ready to fight for change.

- ✦ **Huge Survey Engagement**
Thousands of surveys were completed across yards and worksites, giving us the data to fight for the things you need most.
- ✦ **Making Clients Pay**
We are pushing major clients like Aldi, Amazon, and Qantas to pay their fair share and stop cutting wages and conditions.

- ✦ **Join Mass Meetings**
Attend upcoming meetings to hear the plan, share updates, and prepare for potential action.
- ✦ **Build Yard Power**
Organise yard meetings, talk to your workmates, and make sure everyone knows what's at stake.
- ✦ **Step Up as an Activist**
Volunteer to lead, help sign up new members, and strengthen our power.
