

VOTE JAY ENNIS

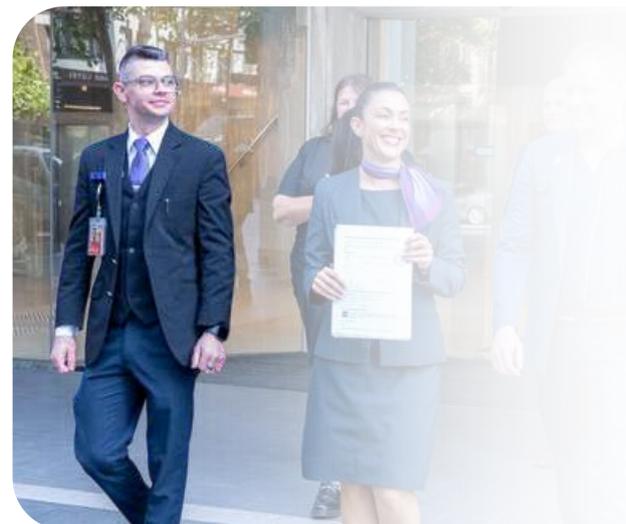

I'm proud to nominate as your **NCC Delegate for Sydney Cabin Crew** because I genuinely care about our people, our safety, and the high standards we uphold.

Our work is demanding, safety-critical, and highly visible, and **every crew member** deserves to be heard, respected, and supported.

As a current **union representative**, I have experience supporting crew, addressing workplace and EA concerns, and advocating for fair outcomes. *Crew deserve a voice that delivers results.*

As your NCC Delegate, I will listen, act with accountability, and *always* put Sydney Cabin Crew first.

Vote for me to ensure together, our team has the strong, effective voice we deserve!
