PRIXCAR SERVICES BARGAINING SURVEY 2026

HAVE YOUR SAY ON YOUR AGREEMENT

Post-pandemic transport has remained challenging with skills shortages and the cost of living continuing to rise with little relief. Transport workers keep Australia moving. Your hard work has delivered record profits to your clients and bosses, particularly in the retail and manufacturing sectors. However, wages have not kept up with the cost of living and we are seeing working conditions go backwards.

Your Prixcar Services Enterprise Agreement (EA) is due to expire on 30 June 2026. We want to hear from you about the changes you want to make at work, ensure your job security and dignity in retirement, how we can unite as an industry to deliver transport reforms that will lift standards, and hold wealthy clients to account for wages and conditions throughout their supply chains.
