CENTURION UNFAIRLY SACKED A DRIVER. WE'RE FIGHTING BACK.

Earlier this month, we filed an unfair dismissal claim in the Fair Work Commission after we found out direct employees are being replaced by labour hire companies at Centurion.

Now more than ever, we must keep up the pressure to fight the growing attack on permanent jobs.

THIS IS DIRECT THREAT TO YOUR JOB SECURITY.

Across the entire industry, job security is under attack.

When companies like Centurion replace workers with labour hire, it drives down standards for everyone. If this goes unchallenged, it risks becoming the new normal.

2026 our roads, our skies, our future

This year, over 220 TWU Enterprise Agreements will expire at the same time.

That means over 60,000 transport workers with the opportunity to take action to lift everyone's pay, conditions, and standards across every sector.

A key part of this fight is ensuring labour hire is used for its proper purpose, not to replace secure jobs.

NEXT STEPS

- **Join the TWU today.** We must keep up the pressure on Centurion to resolve this issue. The strongest way to do that is by standing together as a collective voice by becoming a member.
- **Stay informed.** We'll keep you updated on what happens next. Centurion has two weeks to respond to our claim in the Fair Work Commission.
