

# BARGAINING UPDATE

# FIRST MEETING

Your TWU member-led bargaining team met with Bevchain management to begin negotiations for your national Enterprise Agreement. See below the issues discussed:

## YOUR KEY CLAIMS

- ▶ 15% superannuation
- ▶ Stronger auditing provisions for subcontractors
- ▶ Average earnings on all training
- ▶ Improved Casual Conversion provisions
- ▶ Family and Domestic Violence Leave
- ▶ Improved Parental Leave entitlements
- ▶ Productivity Training Allowance
- ▶ Women's Advocate Allowance
- ▶ Future of Work protections from attacks on jobs

## NEXT STEPS

- ▶ **Attend yard meetings and have your say:** Your organisers and delegates will be out on-site to discuss your log of claims with you.
- ▶ **Join the TWU.** The more members we have, the more pressure there is on the company to make change. That starts with you and your mates becoming a member today.

**2026** our roads, our skies, our future

**This year, over 220 TWU Enterprise Agreements expire at the same time.**

That's over 60,000 transport workers standing together to lift standards, end the race to the bottom and stop client attacks on job security. This is our moment to win industry-wide change.
