- **Attend yard meetings and have your say:** Your organisers and delegates will be out on-site to discuss your log of claims with you.
- **Join the TWU.** The more members we have, the more pressure there is on the company to make change. That starts with you and your mates becoming a member today.

2026 our roads, our skies, our future

This year, over 220 TWU Enterprise Agreements expire at the same time.

That's over 60,000 transport workers standing together to lift standards, end the race to the bottom and stop client attacks on job security.

This is our moment to win industry-wide change.
