

# BARGAINING UPDATE

# FIRST MEETING

Your TWU member-led bargaining team met with Toll management to begin negotiations for your national Enterprise Agreement. See below the issues discussed:

## YOUR KEY CLAIMS

- ▶ **2029 Alignment** – Align expiry for Jun 2029 to maximise our power through industry
- ▶ **Leave & Conditions** – Improvements to Redundancies, Family and Domestic Violence Leave, Easier Access to Disaster Leave, Mental Health Training, Women's Advocate Provision
- ▶ **Productivity Training** – additional \$25/week for completing workplace training (free course for union members)
- ▶ **Future of Work (Ai, Net Zero and Automation)** – Workers have a real say about technological change at work & share in rewards from progress.
- ▶ **Job Security** – Improved ratios of outside hire, stronger casual conversion rights.

## WHAT YOU CAN DO

- ▶ **Attend yard meetings and have your say:** Your organisers and delegates will be out on-site to discuss your log of claims with you.
- ▶ **Join the TWU.** The more members we have, the more pressure there is on the company to make change. That starts with you and your mates becoming a member today.

**2026** our roads, our skies, our future

**This year, over 220 TWU Enterprise Agreements expire at the same time.**

That's over 60,000 transport workers standing together to lift standards, end the race to the bottom and stop client attacks on job security. This is our moment to win industry-wide change.
