

# VOTE DALE LOVE

I've been with Virgin Australia for **18 years** as a Cabin Crew member and Cabin Manager.

For the past two and a half years, I've proudly served as a **union delegate** with the TWU, representing and advocating for all crew.

I've always been someone who speaks up and pushes for positive change. If elected as your NCC representative, I will ensure your workplace concerns are **heard, addressed, and taken seriously.**

With EA negotiations currently underway, it's more important than ever to have strong TWU representation at the table.

As operational crew, we understand the realities of the line and are committed to achieving fair, practical outcomes that work in real life, not just on paper.

**I'll continue to stand up for you, communicate openly, and push for outcomes that genuinely improve our workplace.**

**VOTE WITH CONFIDENCE, TRUST AND FOR A STRONG VOICE.**

**VOTE DALE LOVE AS YOUR NEXT NCC  
REPRESENTATIVE FOR BNE CABIN CREW.**
