UNION WIN: YOUR PAY INCREASE IS ON ITS WAY

Centurion is rolling out pay increases of $2.50 - $4 **before our first bargaining meeting.**

But make no mistake – these increases are a result of TWU members **rapidly unionising all around the country.**

This year, we're seeking to **close the gap** by lifting pay and other conditions at Centurion to meet industry standards. And we're only just getting started.

THE 2026 CLAIM

2026 our roads, our skies, our future

The 2026 claim is about closing the gap of pay and conditions between Centurion and rest of the industry.

Workers at Centurion are being left behind - paid much less than workers doing the same job at other transport companies. You deserve equal pay for equal work.
