

CASUALS DESERVE A BETTER DEAL

Workers at Border Express sit at the bottom of the barrel when it comes to pay and conditions compared to the rest of the industry.

Right now, members from the Transport Workers' Union are negotiating with management for a fairer deal. **Under the TWU's plan to lift your rates and superannuation to industry standards, you could have:**

RATES

**25% increase to rates =
over \$8 per hour**

SUPERANNUATION

**Save over \$2000 extra per
year for your retirement***

**On 20 hours per week and 15% Super*

When we fight and win increases to wages and super, casuals earn even more!

Border Express will only offer better pay and conditions if they know workers are united, unionised and prepared to fight.

If you are not part of the union, now is the time to jump on board to help build our strength as a workforce and send a clear message to Border Express.

NEXT STEPS

▶ **Every member needs to:**

- Sign up every worker in your yard, shift or shed
- Talk to every non-member and build up the strength we need to take action

▶ **Join the TWU.** The more members we have, the more pressure there is on the company to make change. That starts with you and your mates becoming a member today.

2026 *our roads, our skies, our future*

This year, over 220 TWU Enterprise Agreements expire at the same time.

That's over 60,000 transport workers standing together to lift standards, end the race to the bottom and stop client attacks on job security.

This is our moment to win industry-wide change.
