

NEGOTIATIONS UPDATE

FIRST MEETING

Your TWU member-led negotiating team has met with Centurion for the first round of negotiations. A number of key claims have already been rejected. The company has not responded to your wage claim. In response to claims for conditions, Centurion are offering only the minimum entitlements required by law.

YOUR KEY CLAIMS

Duration of the Agreement (3 years)	✗ REJECTED	Superannuation - Pathway to 15%	✗ REJECTED
Family & Domestic Violence Leave	✗ REJECTED	Increased Redundancy Provisions	✗ REJECTED
Consultation	✗ REJECTED	Dispute Resolution Process	✗ REJECTED

Centurion thinks they can get away with giving you bare minimum conditions. The message is clear, it's time to close the gap with other major transport companies who do the same sort of work.

Let's send a message to Centurion that their minimum conditions aren't good enough. New members are joining every week to be part of the fight. TWU members are standing up like never before to fight for and win real improvements.

Join our union to close the gap.

NEXT STEPS

- ▶ **Attend yard meetings and have your say:** Your organisers and delegates will be out on-site to discuss your log of claims with you.
- ▶ **Join the TWU.** The more members we have, the more pressure there is on the company to make change. That starts with you and your mates becoming a member today.

2026 our roads, our skies, our future

This year, over 220 TWU Enterprise Agreements expire at the same time.

That's over 60,000 transport workers standing together to lift standards, end the race to the bottom and stop client attacks on job security. This is our moment to win industry-wide change.
