

The fight for fairer duty hours.

We've led this fight from the start - and it's working.

Now TWU members need to finish the job.

Our claim is clear:

✗ ~~12 hours~~

✗ ~~14 hours~~

✓ **10 hour rostered days,**
12 hours max with disruption.

NO EXCEPTIONS, NO LOOPHOLES, NO 'AGREED PAIRINGS'

We didn't wait - we set the agenda.

Before bargaining even kicked off, we put reduced duty hours on the table. And when it mattered, we backed it up with action:

✓ Members opted out of 4 sectors over 10 hours

✓ Opt-outs quadrupled

✓ We sent a message Virgin couldn't ignore

✓ Virgin is finally admitting that they know duty hours are an issue.

This campaign is member driven.

Join today to keep the pressure on.

We've forced this issue onto the table and shown our strength. But all crew need to join the TWU to get involved in the fight.

Fair duty hours won't happen unless we fight for them.
