

BORDER EXPRESS – WHAT'S GOING ON?

Border Express have now:

✗ Cancelled meetings

✗ Refusing to meet

✗ Dragging their feet on bargaining

NO PAY OFFER • NOTHING ON THE TABLE • NO MOVEMENT

Border Express is completely refusing to negotiate right now.

While workers are putting forward claims and turning up ready to bargain — the company is stepping back.

We put it in the claims. They didn't even bother showing up.

Workers have made it clear what we want. The company won't even sit down and talk about it.

ENOUGH IS ENOUGH.

Border Express needs to:

- 1 Get back to the table
- 2 Start negotiating properly
- 3 Accept our claims

NEXT STEPS

► Every member needs to:

- **Sign a pledge card** and prepare for potential action.
- Sign up every worker in your yard, shift or shed
- Talk to every non-member and build up the strength we need to take action

- **Join the TWU.** The more members we have, the more pressure there is on the company to make change. That starts with you and your mates becoming a member today.

2026 *our roads, our skies, our future*

This year, over 220 TWU Enterprise Agreements expire at the same time.

That's over 60,000 transport workers standing together to lift standards, end the race to the bottom and stop client attacks on job security. This is our moment to win industry-wide change.
