

NEGOTIATIONS UPDATE: POSITIVE MOVEMENT

This week in negotiations, your TWU representatives worked through Virgin's updated offer.

OUR PAY CLAIM:

Year 1:

10%

Year 2:

8%

Year 3:

6%

During the meeting, **we tabled our pay claim. Virgin is expected to respond to the pay claim in the next meeting.**

We made it clear that members expect this EA to be the one where Virgin must compete with cost of living and inflation pressures for it's workers.

IMPROVED CLAIMS

INCREASED OFFER: FULL TIME JOBS

If members agree to variable shift lengths on a 5/3 roster pattern, Virgin have said they'll **agree to incorporate in the EA:**

Additionally, VA have confirmed that an extra 5 full time roles will be included in each of SYD, BNE and MEL.

55%

minimum of full-time roles across Ramp Services

This would mean the following number of PT to FT conversions completed by Feb/March 2027:

BNE: 50 people

SYD: 50 people

MEL: 40 people

ADELAIDE RESOURCE MODEL AND FULL TIME POSITIONS:

- VA has committed to achieve **40% full-time workforce** for Adelaide Ramp Services by working with the TWU and HSR's.
- Members agreed at the beginning of the year in surveys that **no port will be left behind.** Conversations around Adelaide are ongoing.

SAFEGUARDS FOR VARIABLE SHIFT LENGTHS

VA have proposed the following changes to **updated roster safeguards:**

- **Shifts 8-9hrs (inclusive):** minimum of 2 breaks between 20-40mins each (total 60 minutes).
- **Shifts 9-10hrs (inclusive):** minimum of 3 breaks between 20-35mins each (total 75 minutes).
- **New clause:** Where a break is not provided, VA will allocate the length of the break to the end of the Team Members shift + apply a **200% penalty to the extension.**

We're currently reviewing two draft clauses put forward by VA: Progression & Higher Duties, and Priority Leave, to ensure that they capture the intent of the TWU position.

WHAT'S NEXT?

- ▶ **Have your say on variable shift lengths & the package:** our consultation survey will be out next week.
- ▶ **We're meeting on 3rd August** discuss the DIL/PDO claim, which we've so far rejected.
- ▶ **While there's still work to be done,** this is positive change as Virgin has now dropped its attacks on key entitlements and is working towards our demands.

TOGETHER, WE ARE STRONGER.
