

WHAT QUBE DOESN'T WANT QLD WORKERS TO KNOW

Through negotiations, Qube has said it wants to keep its Port of Brisbane workers on a separate agreement so 'it can provide them extra benefits'.

But this is what Qube doesn't want you to know:

1 LOWER PAY

Qube is **underpaying QLD workers** -24% below other transport companies.

QLD workers are also being paid far below **workers doing the same job** in NSW (see table below). This leaves you thousands of \$\$\$ behind everyone.

2 POOR CONDITIONS

Qube has some of the **worst conditions** in the industry (poor job security, leave entitlements, no voice at work and no extra superannuation to name a few).

These conditions are also worth thousands of \$\$\$ more.

3 DIVIDE AND CONQUER

Qube doesn't want you to be covered by one East Coast agreement with NSW, VIC and QLD workers. Because if they divide you, they can get away with this.

4 PROFITS OVER WORKERS

Qube is lining its pockets at your expense – making a whopping \$250 million in profit last year alone.

YOUR PAY		QUBE LOGISTICS QLD	QUBE LOGISTICS NSW	INDUSTRY STANDARD
Grade 6	\$32.32/hr (-\$8.28)	\$35.68/hr (-\$4.92)	\$40.60/hr	
Grade 8	\$34.06/hr (-\$9.42)	\$39.60/hr (-\$3.88)	\$43.48/hr	

HOW WE'LL CHANGE THIS:

- 600 Qube workers in NSW, VIC, & QLD are standing together to demand change right now.
- NSW and VIC members have already voted down recent agreements and are standing with you!
- 60,000 workers negotiating 220 agreements are standing together to Close the Gap and lift industry standards.

PLEDGE TO TAKE ACTION

- TWU members are now preparing for potential action to build pressure on Qube. **We need you to:**
- Sign the pledge-to-action card & Join the Union.
- Speak to every worker in your yard, shift or shed to do the same.
- Vote No to any agreement the Qube tries to rush out unless it has been endorsed by your union.

TOGETHER, WE ARE STRONGER.
