FEDEX CANCELS NEGOTIATIONS. VOTE NO AND FORCE THEM BACK TO THE NEGOTIATING TABLE!

FedEx has walked away from negotiations with your member-led committee. FedEx is now trying to force workers to vote on a deal that cuts real wages and offers no job security.

At the same time, FedEx has **cancelled joint report-backs** with the TWU because it doesn't want to explain its attacks on jobs and conditions.

FEDEX'S DIRTY DEAL:

- **Pushing its below-inflation pay offer –** which works out to be a real pay cut.
- **Refusing to protect** dock worker and operations agent jobs from **automation & AI.**
- **Refusing to protect driver job security** against DSCs.
- **Ignoring other claims** backed by thousands of workers to lift standards and protect your rights at work.

Now FedEx wants to rush a vote and refuse to negotiate.

Have your say by VOTING NO.

VOTE NO to send FedEx a strong message.

Workers will not settle for anything less than an agreement that delivers

- job security
- fair pay increases
- decent working conditions

WHAT YOU CAN DO

FedEx will try to ram through its bad deal. We must stop them and force FedEx back to the negotiating table by:

- **VOTE NO –** reject any deal that FedEx puts out.
- **ATTEND YARD MEETINGS –** turn up and bring your workmates along.
- **PREPARE FOR ACTION –** sign a pledge card and get your yard organised.

TOGETHER, WE ARE STRONGER.
