

Swissport ignores its workers.

On 5 June, we put it in writing to Swissport: workers across the country are **demanding real job security**.

We laid out the reality on the ground:

- insecure contracts
- full-time hours without full-time jobs
- lack of overtime
- we're being left behind the industry

Swissport haven't even *responded*.

Swissport is well below industry standard.

SWISSPORT GROUND

- ✗ Minimum **15hrs** a week
- ✗ **Overtime** practically out of reach unless working extreme, unsafe hours
- ✗ No meaningful **pathway** to secure **full-time work**

DNATA & MENZIES GROUND

- ✓ Minimum **22+ hrs** per week
- ✓ If you work above your contract, you get paid **overtime**
- ✓ Clearer **pathways** into secure, **full-time jobs**

✓ **UNIONISED SITE**

Swissport is far behind Menzies and dnata, companies doing the same work, for the same clients.

TWU MEMBERS HAVE A PLAN TO FIX IT.

We're working towards a Ground Handling **Multi-Employer Agreement**, designed to:

- ✓ Lift Swissport up to industry standards
- ✓ Stop companies undercutting each other on wages & conditions
- ✓ Deliver secure jobs, fair pay, & safer workplaces

Hold Swissport accountable.
