

VOTE NO TO QUBE'S SHAMEFUL OFFER

Qube is trying to end negotiations by rushing your agreement to a vote. This dodgy offer locks in low pay, poor working conditions for years to come, and does nothing to close the gap.

✗ LOWER PAY

Qube is not just **underpaying QLD workers -24% below** other transport companies. It's also paying QLD workers *far below* what it pays it's own workers doing the same job in NSW (see table below). This leaves you thousands of \$\$\$ behind everyone.

✗ POORER WORKING CONDITIONS

Qube has some of the **worst conditions in the industry** (poor job security, leave entitlements, no voice at work and no extra superannuation to name a few). These conditions are also worth thousands of \$\$\$ more.

Qube is lining it's pockets at your expense – making \$250 million in profit last year alone.
