

HOW TO **VOTE NO** ON YOUR AGREEMENT

K&S is rushing workers to vote on a deal that offers **no job security** and **keeps you below industry standards**. You have been underpaid for too long and deserve a proper increase.

Now it's up to you to **vote no** and **spread the word** to other workers to pressure K&S to do better than this Agreement.

1 Unfair pay

K&S' pay offer fails to close the gap between you and other major transport operators. You deserve a fairer, proper pay increase.

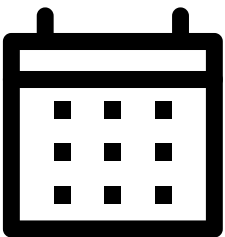

2 No consolidated agreement

to allow you to negotiate alongside your fellow colleagues across the country.

3 No job security

K&S has rejected all your job security protections, including better casual conversion and labour hire ratios.
